

# How to Order

## Method 1: Online Order

1. Our online order system has a maximum limit of an order and the limit is \$3000 for life time if you check out your order using PayPal Guest. If you reached this limit you can use Genorise Scientific Order Form to send your order via email to [order@genorise.com](mailto:order@genorise.com).
2. If you are a PayPal account holder, our online order system has no life time limit, however, there is a limit per transaction, and the limit is \$10,000 per transaction.

## Method 2: Order Form

Customer can send us an order via email to [order@genorise.com](mailto:order@genorise.com) using Genorise Scientific Order Form in the website <http://www.genorise.com>. This order form requires credit card information including name on the card, card type, card number, and expiration date and security code.
